## ~ Instructions ~

You have the unique opportunity to visit the **REAL WORLD**. After you have selected a life you will need to function in the **REAL WORLD**.

- 1** You **must** visit each **required** booth. You choose which order you want to follow.
- 2** You will need to visit the "Housing" booth before you go to the "Utilities" and "Insurance" booths. Also, you will need to go directly to the "Insurance" booth after you have made your purchase at the "Transportation" booth.
- 3** If you receive a ticket, you must pay the fine at the "Chance" booth.
- 4** If you run out of money, or close to being out, or need help at any point, go to the S.O.S. Booth.
- 5** Remember, you are the sole supporter for your family. Your spouse is either unable to work or is currently looking for work. You cannot "pool" money with other reality store participants. This is an exercise in having to make due with what you have.
- 6** You can only have ONE supplemental income.
