

4-H TOBACCO EXHIBITS

CAUTION: The 4-H tobacco exhibit rules and classes are determined by the state fair, not the 4-H office; therefore, there could be changes to this category. This should be used only as a guide. The classes below are taken from the previous year's Kentucky State Fair catalog. The final decisions will not be made until June 2025 by the state fair board.

Division 2101 – Burley Division
Division 2102 – Dark Stripped
Division 2103 – Green Stick and Potted Burley

4-H Tobacco will be received only on Entry Day (Monday prior to the opening day of the State Fair); Judging of tobacco exhibits will begin at 12:00 noon E.D.T. on the following Wednesday.

NOTE: State Fair has dropped Tobacco Grading

Project entry must meet all the requirements for the class; otherwise, the entry will be disqualified.

1. See General Rules applying to all 4-H Exhibitors and general rules applying to all exhibits other than livestock listed in the State Fair Catalog. Project entry must meet all the requirements for the class; otherwise, the entry will be disqualified.
2. There is no fee for entering 4-H tobacco.
3. Entries in 4-H tobacco must be made through the 4-H leader/agent.
4. It is the exhibitor's responsibility to make sure the entry online form is filled out correctly and tobacco is entered into the proper class by the August deadline.
5. All exhibits should be brought to the Tobacco Department in the West Hall. The department will be open for receiving 4-H tobacco on Monday (Exhibit Entry) before the state fair officially opens from 9:00 a.m. to 2 p.m.
6. 4-H tobacco will be released to the Department of Agriculture on Monday after the fair closes from 9:00 a.m. to noon.
7. 4-H exhibitors are eligible to compete in only one division of the youth show (not 4-H AND FFA). However, they may compete in the Open Youth Class, provided they have separate entries for that class. Open class entries must be made by July 1 on open class (pink) entry forms.
8. Entries in 4-H tobacco are restricted to enrolled members of 4-H.
9. The Superintendent shall have the duty and authority to reject any entry that in his/her opinion is unworthy of entry.
10. Entries infected with insects or disease, or exhibiting server damage, shall be discarded at the discretion of the Superintendent.
11. An exhibitor may enter in any one or all different classes. However, one exhibitor is limited to ONE entry per class (Potted Plant, Green stick and Stripped Tobacco).
12. Each stick of green tobacco consists of 4 stalks per stick. The Superintendent and staff will NOT select a stalk to remove if 5 are included on the stick. It will be the duty of the agent/leader/exhibitor to select the stalk to remove.
13. All entries in the green stick classes should be wilted for a better presentation, but must still be in GREEN STAGE. Green tobacco will be judged on uniformity, general appearance and quality. The Superintendent has the right to disqualify any stick entered into the green stick category that has cured beyond the green stage.
14. All growing tobacco plants should be potted in a waterproof plastic bag and placed in an attractive container before arrival at the Fair. A five (5) gallon bucket is suggested.
