

# WATERING OPTIONS FOR LIVESTOCK

**MAY 11, 2023**  
**7:00 P.M.**  
**10990 MARSHALL RD**  
**COVINGTON, KY**

Join Steve Higgins from University of Kentucky as we discuss how to ensure a good source of water for your livestock operation. We will discuss ways to capture water, waterer designs, how to make water available in your back pastures, and how water quality affects the health of your herd.
